All interested students please complete this link: <https://redcap.link/summer2022>

¹Grade Level is the school year right now, today, when you apply, to be completed by June 1 when the internship starts. ²Students may participate without cost as unpaid volunteers.

²At times stipends are provided based on need. ³Open means that program participation is open to all students across Indiana and out of state. ⁴Notification for SRP and SIP applicants on April 1 will only be for those accepted. Those not accepted will then be considered for other programs and notified also on May 1 with all students.

Administration of these programs are facilitated by the Indiana Clinical and Translational Sciences Institute (CTSI) K-12 STEM Program.
